

PARENT CARERS TOGETHER

Bournemouth Christchurch Poole

!!WE NEED YOUR HELP!!

- *Are you a parent or carer for a child/young person with SEND living in BCP?*
- *Are you interested in volunteering some time to support the participation work of Parent Carers Together?*

IF the answers are both YES!

Parent Carers Together are recruiting new parent carer volunteer representatives for the following areas:

- *Early Years
- *EHCPs
- *Health
- *Preparing for Adulthood
- *Mental Health
- *Engagement & Promotion of Parent Carers Together

If you are interested in finding out more about volunteering for one of these roles, what would be expected of you and what Parent Carers Together can do to support you, we invite you to an informal coffee morning via Zoom on the **5th October at 10am** with the co-chairs of the forum Nikki and Louise.

They will be happy to discuss the partnership work we do with the local authority and health services and answer any questions you may have about participation & coproduction.

Parent carer participation is about parents and professionals working together, recognising each other's expert knowledge, to design, develop and improve services for children with SEND in the local area.

Please email bethcallis@parentcarerstogether.org.uk for the zoom meeting details.

Hopefully we can encourage you to sign up to our formal training and become a parent representative.
