

PARENT CARERS TOGETHER

Bournemouth Christchurch Poole

Who are Parent Carers Together?

Parent Carers Together is a friendly parent carer forum of volunteers set up to represent the voices of Parent Carers of children and young people with Special Educational Needs and/or Disabilities (0-25 years) in Bournemouth, Christchurch and Poole.

What do we do?

We gather the views of local families through virtual or face to face consultations, surveys and comments via social media. We then work in partnership with BCP Council, Dorset CCG and other organisations to design and deliver SEND services that you and your family need, based on your anonymous feedback.

How can you get involved?

We can't do this without you so please:

- Visit our website to find out more about we do
- Join our FREE membership to receive email communication from the forum
- "like", comment and share our Facebook posts
- Tell your fellow SEND friends about us
- Get in touch and tell us your own views and experiences of local SEND services
- Consider becoming a Parent Carers Together Representative and participate in external meetings on the forum's behalf.
