FEEDBACK & COMMENTS *(please use further pages if necessary)*

Claire O'Brien showed us the draft of the parent/carer version of the survey.

Victoria Hunt queried why SENDiass logo was on their, similar to PCT logo being on the survey.

We discussed what the aim of the survey was. Victoria and PCT requested that an explanation was inserted along the lines of the (questions in) survey were coproduced. We both felt this would ensure that both our organisations retained that arms-length operation.

We went through the questions and clarified the wording of the questions. Changed some of the questions, as some appeared to be yes/no. We also suggested some slight changes to formatting.

Claire has also worked on a children/young person's version of the survey, but we didn't have time to go over that today, so a further meeting will be organised.
