

Parent Carers Together Feedback Form

Name: Louise Middleton

Meeting description: Brain in Hand Awareness Session

Where was meeting held: via Teams

Date of meeting: 4th May 2021

Start & finish time: 10:00-11:00

Any future meeting dates, if known: N/A

Feedback can be in any format; it should contain important points that came out of the meeting, your opinions, any related work that you think overlaps, action points that you might be involved with, any areas of concern. This will be shared with all PCT reps and committee.

Please email to bethcallis@parentcarerstogether.org.uk within 2 weeks of meeting

FEEDBACK & COMMENTS *(please use further pages if necessary)*

This meeting was with Brain in Hand associates. We had asked for this meeting to gain more information about how this programme would work.

We asked how the programme would be set up:

- the young person would meet with the Brain in Hand support worker for the initial planning session. Together you would go through the workbook that accompanies the app. This is designed to get to know the individual better, what their goals are etc.

We asked how long this session would last.

- It can take up to 4 hours. However, this can be broken down into more manageable time chunks to suit the user's pace.

We asked if parents or other support person could attend this initial session.

- They said that there is an option to include parent/family member to this planning session.

We asked if this app could work with text speak.

- We were told that there was no issue with this, if the person already has text speak available on their phone then the app would work with that.
