PCT Maureen Rolfe P/C Bridget Campbell.

Previous mins read and signed off. Likewise the ACTION Log.

JA gave a very informative presentation on Dementia.

Gave a listing of useful contact numbers. Even details of parenting courses.

Therapy groups are available to help where they can.

There is the Dorset Healthcare Website available to give information. In the course of time this will become the One Stop Shop for a variety of information. Work has started but lots to do as yet.

The talk took you through getting a GP Assessment done and up to the minute help what was out there.

Support for Carers was person centred and in Easy Read. There to assist with choices especially with those 18 + everyday life living coping with life in general and the Services to help.

People with Learning DISABILITY ARE 4X more likely to get Dementia.

Downes Syndrome 4X more likely to get Alzheimers.

Testing usually starts at 30 with bi-annual checks.

Teams Diary Planner will depend on outcome of Groups choice what to start with and will fill in with guests as we go along.

From both pieces of work topics include Mental Health Covid the bigger picture Annual Health Checks

Young people –Transitions at various ages Care Homes End of Life Plan just a snippet.

Meeting Closed.
