CARERS ACTION GROUP LOG:

A.F due to issues with Data collection was unable to give any figures. Bear in mind these figures are required in other groups i.e Housing 16+ ALD. Information can only be drawn manually going through paperwork. Not currently available from any systems used in BCP.

BCP criteria in Service Plan to improve work with carers Assessments contingency and future planning. At some point mid summer it is hoped will link with Mosaic so two teams can work together.

MR asked how does Co-Production go forward without facts figures and statistics???

SL raised concerns yet again with Poole Bus Station forwarded to Jenni Collis Heavens and Anja Ford. AW looking for new link for SL to link with.

CARERS ACTION PLAN:

Help and assist carers prepare an Emergency Crisis Plan. A manual check of plans to see who has /not got a plan. Note this does not capture anything like all!

Those over 25 need to be a part of this planning as well. Group looked at CRISP for information plus ways of getting out to all not on computers. There are Newsletters CARERS WEEK and information packs. Websites CRISP and Mosaic may have specific areas which can be used.

MR Needs sensitive gentle handling whatever the approach. Importance of getting this work completed if illness puts carer in hospital /death? Vital to have a synopsis of the client

Written for carers handover with likes /dislikes so not to disturb routines.

Adult Short Breaks to be reviewed and due following Covid.
