(Maureen's draft notes from the meeting)

DPCC –Dorset Parent Carer Council

HDP –Housing Development Plan

ICS – Integrated Care Services

### **HOUSING:**

Benefits and Applications for housing are taking over a month for a reply.

Quality Monitoring –seems a lack of management on site.

New Commissioning Manager Kerry Guinness appointed and assigned to

All pre-documents including **CO-PRODUCTION WORK!**

Board reminded that all work should be in EASY READ.

In June 22 there aims to be a big push towards Co-Production groups.

SURVEY – ON YP and Carers feedback required with a follow up Workshop/Talk?

BCP have 1,084 on LD register-Family Carers.

PFF relayed that Day Opportunities presently were disappointing that said now hoping for "better outcomes."

Question raised on Action Log –"What happens to plans not started ?

SUPPORT MY FAMILY – Will have an Audit review 3 BCP members are working together to ensure planning now moves forward.

GOOD LIFE SUPPORTED EMPLOYMENT & KEEPING SAFE – deferred.

(Needs proper support and consultation and allotted funding "from where"

Hoped that Keeping Safe Event will happen in November this year in a tent with wide carers support.

New Commissioning Manager will be working for families and framework of Service.

Question: Asked on Housing Development Plan linked in as no actions to NHS(out of funding) referred back to Action Board.

Where I Live – HDP as above- needs to review programme to include Co-Production delivery and materialise!

Noted that Easy Read for HDP was essential and not too detailed for all to understand.

INTEGRATED CARE SERVICES : - ICS

In slides shown Todd asked what “wider collaborative “ meant was explained to him that

There was now different bodies within ICS. Starts with 3 different parts and then sub groups

Divided down all have stakeholder boards and leads. Quite complex to follow at the start for anyone.

Safe Wellbeing Reviews : outcome documents in EASY READ now.

LD register in BCP NOS 2,546 presumed Adults.

Noted we should share Good Practice but on a broader scale.

Issues raised on DNAPCR –(Do Not Attempt Patient Clinical Recovery)

National issues have been discussed on this policy also GDPR –patient participation?

Or a cycle of resuscitation attempted.

Cancer Screening : Leaflets and testing ongoing.However within leaflets does not say what to check for at home –more detail required here.

Noted that DPCC and PCT are working together on All Autism Autism and other work.
