

SENDEET -28th APRIL 2022 (Maureen's Feedback Notes)

In Attendance:

Julia Coleman -Chair

Robyn Gough –Minute Taker

Lindsay Sloan -BCP

Stacey Harvey -BCP

Gemma Jones/Bell –Linwood

Elise Woolnough

Georgie Pinder

Katherine Beater

Helen Lewis

Apologies from others.

As Education stands there is a lot of catching up to do from Covid.

SEND SPECIAL SCHOOLS :

They have worked hard throughout Covid and when allowed back into schools

Have had a far better % of attendance. In fairness have smaller classes and better Covid controls.

Staff looking to make life easier how Exams are carried out. Now centred to individual clients. Right settings own room scribe and readers as permitted.

Mood of clients delaying exam to later in the day permitted as there are variations on the papers being sat .

MR raised a question on Exam Security and was assured by JC that Vigilators and other Observers will check schools at random.

In Jan 2020 and 2021 -38% of Staff were off absent.

In May there will be a White Paper followed by a Green Paper.

JC would like Parents comments.

From EHCP's MR asked the question on how many were not full plans as such SCHOOL ACTION PLUS –on Behaviours etc G.P hoped to get the data on this and send out.

WHITE PAPER:

Will report on the following :

Reports on Excellent teachers. Delivery of High Standards

Targeted support for every child. Stronger fairer School System.

£2.6 billion to be spent across the country.

Schools now to have SEND CHAMPIONS.

Any Schools built has to be SEND OR AP.

99% of schools in South West work as Maintained Schools.

However SEND schools at present only have 59% .There are not enough specialists within the system (Educational Psychologists).

MR asked Vanessa Grizzle .Numbers were unknown but will be sent.

Only two in South West.I asked her caseloads again unknown to be sent.

EARLY YEARS WILL HAVE MORE MONEY OVER NEXT 10 YEARS!

JOURNEY TO SUPPORTED INTERNSHIPS :

BCP Supported Internships through Project Search within Chi /Swarac Progs.

However there is a gap between Post 19 progs.

Family Centre at Queens Park has a cohort of 15 young people with 12 going through to Interview stage from BCP area.

With luck 12 should start in Sept under Discovery project based in Somerset.

GJ asked what happened with those with EHCP no job then what!

One year prog .

LS raised transport travel issues? Covered by Discovery. Prog centre is Bournemouth Town Hall and 3 other areas to gain info and certs .

MR asked how many trainers /staff? Reply 1/2 but will develop.

Also asked re DWP payments reply no change as if they were doing work experience.

Interesting to see outcomes if works effectively evident even now we need more of these re the numbers.

Also BCP data if available should include Neets and those AWOL from Schools.

NO NUMBERS NO RECORDS !!!!!

CAREERS APPRENTICE SHOW in March started with 11 and increased to 28 JC said well supported.

Finally Head Teachers to meet in June.

Please note an article is omitted from this report

CONFIDENTIAL.

This item to be discussed at next SENDEET MEETING.

Meeting Closed.
