

As a small organisation with limited resources, we rely on the support of volunteers.

We are looking to expand and engage new members to volunteer with us.

Why should I join my local parent carer forum?

[Making a Difference Why should I join my local Parent Carer Forum - YouTube](#)

In this film by Contact we hear from parents and carers of children and young people with SEND about why they joined their local parent carer forum and what they get out of it.

Why volunteer? Volunteering ...

- **Provides opportunities for personal development**
- **Builds confidence**
- **Puts existing skills to good use or helps develop new ones**
- **Is a great way to meet new people, make new friends**
- **Is a good way of giving back to your community**

We will train and support you and reimburse your out-of-pocket expenses, such as travel costs.
