Parent Panels

Parent Panels are groups of parents who have an interest and experience of a particular subject and can give feedback.

Parent Carers Together would like to set up parent panels.

It's a great way to meet other parents and improve services which will benefit the wider SEND community across Bournemouth, Christchurch & Poole.

The feedback you provide will be used by our representatives in meetings with Local Authority and Health Services.

Topics to get involved with include:

- SEND Local Offer
- Preparing for Adulthood
- Short Breaks and leisure activities
- Early Years
- Education, Health & Care Plans & Annual Reviews
- Graduated Response
- Autism Spectrum Disorders
- Child Adolescence Mental Health Services (CAMHS)
- Health Services

To take part in a parent panel you must first be a member of [Parent Carers Together](#).
